Contact forms

Submitted contact forms for inquiries will be deleted immediately, as soon as they are answered. Contact inquiries are not used by us for marketing purposes.

Cookies

When you post a comment on our website, it may be a consent to store your name, email address and website in cookies. This is a convenience feature so you don't have to re-enter all of this data when you write another comment. These cookies are stored for one year.

Embedded content from other sites

Posts on this website may include embedded content (e.g. videos, images, posts, etc.). Embedded content from other websites behave exactly as if the visitor had visited the other website.

These sites may collect data about you, use cookies, embed additional third-party tracking services, and record your interaction with this embedded content, including your interaction with the embedded content, if you have an account and on this website.

Analysis Services, AdSense and plugins

Privacy Policy for the use of Facebook plugins (like-button)

On our pages are plugins of the social network Facebook, 1601 South California Avenue, Palo Alto, CA 94304, USA integrated. The Facebook plug-ins are recognizable by the Facebook logo or the like button on our site. An overview of the Facebook plugins can be found here:

<http://developers.facebook.com/docs/plugins/>.

When you visit our pages, the plugin establishes a direct connection between your browser and the Facebook server. This will give Facebook the information that you have visited our site with your IP address. If you click on the Facebook "like Button" while you are logged in to your Facebook account, you can link the contents of our pages to your Facebook profile. This allows Facebook to associate the visit to our pages with your user account. We would like to point out that as a provider of the pages we do not receive any knowledge of the contents of the transmitted data and their use by Facebook. For more information, see the Facebook privacy statement at <https://www.facebook.com/about/privacy/>

If you do not wish Facebook to be able to associate your visit to our pages with your Facebook user account, please log out of your Facebook account.

Privacy Policy for using Twitter

On our pages are included functions of the service Twitter. These features are offered by the Twitter Inc., 795 Folsom St., Suite 600, San Francisco, CA 94107, USA. By using Twitter and the re-tweet feature, the websites you visit are linked to your Twitter account and posted to other users. Data such as IP address, browser type, called domains, visited pages, mobile phone providers, device and application IDs and search terms are transmitted to Twitter, among other things.

We would like to point out that as a provider of the pages we do not receive any knowledge of the contents of the transmitted data and their use by Twitter. Due to the ongoing update of the privacy policy of Twitter, we point to the latest version at (<http://twitter.com/privacy>).

Your privacy settings on Twitter can be changed in the account settings under [Http://twitter.com/account/settings](http://twitter.com/account/settings). If you have any questions, please contact privacy@twitter.com.

Privacy policy for using Google AdSense

This website uses Google AdSense, a service to embed ads from Google Inc. ("Google"). Google AdSense uses so-called "cookies", text files which are stored on your computer and which allow an analysis of the use of the website. Google AdSense also uses so-called Web beacons (invisible graphics). These web beacons can be used to evaluate information such as visitor traffic on these pages.

The information generated by cookies and web beacons about the use of this website (including your IP address) and delivery of advertising formats will be transferred to a Google server in the USA and stored there. This information may be disclosed by Google to Google's contractual partners. However, Google will not merge your IP address with other data you have stored.

You can prevent the installation of cookies by a corresponding setting of your browser software; However, we would point out that in this case you may not be able to use all functions of this website to its full extent. By using this website you agree to the processing of the data collected about you by Google in the manner described above and for the aforementioned purpose.

Privacy policy for using Google Analytics

This website uses Google Analytics, a Web Analytics service from Google Inc. ("Google"). Google Analytics uses so-called "cookies", text files that are stored on your computer and which allow you to analyse the use of the website. The information generated by the cookie about your use of this website is usually transferred to a Google server in the USA and stored there. However, in the event that IP anonymization is enabled on this website, Google's IP address will be reduced in advance within Member States of the European Union or in other States parties to the Agreement on the European Economic Area.

Only in exceptional cases will the full IP address be transferred to a Google server in the United States and shortened there. Google will use this information to evaluate your use of the website, to compile reports about the website activities for the website operators and to provide further services related to the use of the website and the Internet. Google will also transfer this information to third parties if required by law or if third parties process this data on behalf of Google. The IP address submitted by your browser as part of Google Analytics will not be merged with other Google data.

You can prevent the installation of cookies by a corresponding setting of your browser software; However, we would point out that in this case you may not be able to use all functions of this website to its full extent. By using this website you agree to the processing of the data collected about you by Google in the manner described above and for the aforementioned purpose.

Privacy Policy for the use of Google + 1

You can use the Google + 1 button to publish information worldwide. The Google + 1 button gives you and other users personalized content from Google and its partners. Google stores both the information that you gave for a content + 1, as well as information about the page you viewed when you clicked + 1. Your + 1 can appear as hints along with your profile name and photo in Google services, such as search results or your Google profile, or elsewhere on websites and ads on the web.

Google records information about your + 1 activities to enhance Google services for you and others.

In order to use the Google + 1 button, you need a globally visible, public Google profile that must contain at least the name chosen for the profile. This name is used in all Google services. In some cases, this name may also replace a different name that you used when sharing content through your Google account. The identity of your Google profile can be viewed by users who know your email address or have other identifying information from you.

In addition to the purposes described above, the information you provide will be used in accordance with Google's current privacy Policy (<http://www.google.com/intl/de/policies/privacy/>). Google may publish aggregated statistics on users' + 1 activities or share these statistics with our users and partners, such as publishers, advertisers, or related websites.

Who we share your data with

Storage of data

If you write a comment, it will be stored for an unlimited period of time including metadata. In this way, we can automatically detect and release follow-up comments instead of capturing them in a moderation queue.

For users who register on our website, we also store the personal information you provide in your user profiles. All users can view, modify or delete their personal information at any time (the user name cannot be changed). Administrators of the site can also view and modify this information.

You have these rights on your data

If you have an account on this website or have written comments, you can request an export of your personal data to us, including any data you have provided to us. In addition, you can request the deletion of all personal data that we have saved from you. This does not include the data that we need to keep due to administrative, legal or security needs.

Where we send your data

Visitor comments could be investigated by an automated spam detection service.
